ENGLISH SCHOOLS PROGRAMME - We continue to offer a 5-week course to schools, leading to entry to the English Schools Championships, which held each March. This well-established programme has introduced countless young people to the sport of curling, enabling them to embrace an entirely new experience in a competitive team sport.

The Junior Programme is run by **Tracey Lyne**, who is Rink Manager. She is also a Level Two World Curling Federation qualified.

As with most competitive sports, curling requires considerable dedication to succeed at the top level, and we are fortunate to have experienced, qualified coaches, all of whom are CRB/DBS checked, who are able to convey and demonstrate what is needed for success.
